Capability Statement

CDA Eastland

TRADE SUPPLIES

CDA Construction Products began trading in Newcastle in 1997 and quickly established itself as a market leader in the supply of fasteners, power tools, builder's supplies and concrete pre cast materials. In 2006 CDA Construction Products merged with Eastland Trade Supplies creating CDA Eastland Trade Supplies and we now have branches in Brendale, Underwood, Townsville, Grafton, Coffs Harbour, Port Macquarie, Newcastle, Beresfield and Tuggerah.

In 2019 we joined forces with the Synergy Group, whose inventory data solution provides us with national opportunities reserved only for the larger companies in the past. We are now a bigger network of companies which comprises of Colmark Fasteners located in Adelaide, CCT Construction Supplies located in Mackay and Nepean Boltmaster with branches in Seven Hills, Penrith and Springvale Victoria.

CDAETS (CDA Eastland Trade Supplies) are a service oriented company; we pride ourselves on superior service, market leading brands, competitive pricing, stock depth and control.

Our wealth of knowledge truly offers the very best of service, with prompt deliveries and representatives in the field to service your site or warehouse requirements. Customer requirements can be satisfied over the counter, by calling 1300 CDAETS, email to our internal sales team or online via our website or phone app. Our integrated website allows access to online payments and payment allocations, order status, statement, invoice and credit re-prints.

CDAETS use proven suppliers who enjoy market leader status and wish to work with us.
